### Phone Number Confirmation

Enter your name, create a password, select a security question. For added security, the final step prior to payment acceptance is the entering of the ten (10) digit phone number (XXX XXX XXXX) submitted during registration with VWGoA's TDI Class Action Settlement. Please recognize this as a password and ensure each keystroke returns a "." for each digit of the phone number. After five (5) failed attempts, you will be locked out, requiring you to contact the VWGoA Claims Center to be unlocked.
